(Capo 3)

## Verse 1:

**G/B C Em D**

If I should fly over mountains

**G/B C Em D**

Even if I could You are there

**G/B C Em D**

When I rise in the sunlight

**G/B C Em D**

I can see Your eyes You are there

## Pre-Chorus 1:

**G/B C**

Away in the western wild

**Em D**

The distant horizon line

**G/B C Em D**

You are even there

## Chorus:

**G/B C Em D**

If I climb to the sky

**G/B C Em D**

If I fall into the deep

**G/B C Em D**

You'll reach me even there

**G/B C Em D**

Your love shines everywhere

## Verse 2: (same chords throughout song)

When I was born even long before

This child was formed You were there

When I go home there in the beauty

I won't be alone You'll be there

## Pre-Chorus 2:

Oh marvelous Glory-Maker

Should the whole world be shaken

You will still be there
