

Heavenlies

Verse 1:

I'm waiting for the time I look into Your eyes
And I am there with You my God
I'm living for the day You wipe these tears away
And I am there with You my God

Pre-Chorus 1:

In Your glory all adoring in awe
I will bow down in Your presence my God

Chorus:

**I'm living for the heavenlies, I'm living for the heavenlies
When all of You is all I see, I'm living for the heavenlies**

Verse 2:

I want to run to win in this race I'm in
So let heaven's work begin in me
When Your reward is mine when I cross that line
And hear You say well done my love

Pre-Chorus 2:

I'll be singing hallelujah my Lord

Bridge:

Seeing You with eyes of faith, counting down these final days
Until we are taken up and drink Your celebration cup
