Verse 1:

G **Em** **Am**
I live for Your love my treasure and truth
C **Em** **D**
I long to do whatever You will
G **Em Am**
I live for Your love holy and bright
C **Em** **D**
Here in this light I'm yielded and still

Pre-Chorus:

C **Em**
Behold what manner of love
 Am **D**
That we should be children of God

Chorus:

All my praise I will give

To my Savior Jesus

For Your love I will live

Both now and forever

Verse 2:

G **Em Am**
I live for Your love faithful and sure
C **Em** **D**
Humble and pure in all that You do
G **Em Am**
I live for the love that brought You to die
C **Em** **D**
And caused me to fly in freedom with You

(Pre-Chorus)

(Chorus)
