## **Verse 1:**

Wherever our praises rise to You that is Your dwelling place  
So make us Your sanctuary Lord gathered in Jesus' name

## **Pre-Chorus 1:**

So we come, oh Lord  
So we come, oh Lord

## **Chorus:**

**Now unto the One who is strong to deliver  
Every broken heart to His Kingdom of love  
Be all praise and honor always forever, forever**

## **Verse 2:**

Standing before Your royal throne children of every tongue,  
Thankful that we are finally home, join in the ancient song

## **Pre-Chorus 2:**

How we love You Lord  
How we love You Lord

## **(Chorus)**

## **Bridge:**

Saints and angels lifting a single voice  
Jesus Jesus heaven and earth rejoice
